Müşterilerimizin memnuniyeti ve ürün kalitesini arttırmak için sürekli çalışmaktayız. Bu sebeple verilen tüm teknik özellikler haber verilmeksizin değiştirilebilir.

We have been continuously working on increasing our clients satisfaction and our product range and capacity.

For this reason all technical specialities can be changed without notice.

Brülör ve emniyet ventillerinin ölçüleri dahil değildir.

Dimensions of burner and safety valves are not included.
